For training and practice purposes, we offer our test samples from older DCC-Proficiency tests for purchase. In addition to the test object, you will receive a complete evaluation with the precision data from the proficiency test as a PDF-document **by e-mail only**.

The order lists are constantly updated.

DCC - Delta Coal Control GmbH

Retain samples offer 2024

	Handling procedures 2024 (DCC 03 EN.pdf) http://www.dcc-germany.org/sites/www.dcc-germany.org/files/DCC%2003%20EN.pdf
1	Minimum order SALE: no minimum order quantity, only as long as stocks last
2	The DCC Proficiency tests are carried out according to EN ISO/IEC 17043 .
3	Statistical evaluation: Statistical evaluation of the data is done on the basis of methods of robust statistics (Hampel estimator, Q-method , is defined in ISO/ TS 20612 (2007), DIN 38402-A45 (09-2013), DIN EN ISO/IEC 17043, ISO 5725 and DIN ISO 13528).
5	Anonymity / Confidentiality: The interlaboratory tests are anonymous. Each laboratory gets an own changing labcode-number.
13	Storage: The samples should be stored dry, cool and protected against damage of the foil/packing up to the examination.
14	After opening the gas-proof sample bags and/or sample containers the determination of total moisture is to be accomplished immediately. The other investigation parameters are to be determined within the following 5 working-days. This procedure is to be kept absolutely, in order to avoid losses of water and oxidation influence.
19	Price*: All prices are net prices, stated in euros, and do not include statutory VAT.
20	Shipping costs SALE: The prices also include the transportation costs with DHL-Express.
21	Invoicing SALE: The price shall be payable immediately after receipt of the invoice and is due and payable within 14 days from receipt of the proper invoice. Payment of the product prices is effected via bank transfer to the account specified by the contracting party DCC GmbH . The delivery of samples takes place after receipt of payment.
22	The value added tax is not applicable for participants from the European Union with indication of VAT No** and outside of Germany .
23	International transfers: If you transfer the money from abroad please note that you have to pay the fee of the bank for transferring additionally.
24	Electronic Invoicing: We do not issue electronic invoices (" e-invoice ").
25	Damage to the test objects during customs clearance and security checks? In case of damage caused by the national customs at the opening of the parcel please inform us in writing (with pictures) and contact the transport company.
26	Customs tariff numbers: The Customs Tariff Numbers are available in the download below: DCC 05 DE_EN.pdf
27	Cancellation deadling SALE: Cancellations must be made in writing. Participation Cancellation is free of charge up to 3 days after ordering. After test samples have been sent, 100% will always be invoiced. We are no longer allowed to use the returned test samples.
28	Copyright: Any reproduction, including use of excerpts or commercial use of the proficiency test evaluation requires prior written consent from DCC GmbH, Herten, Germany
29	Commercial using of the samples: The use of the test samples is exclusively permitted for our interlaboratory test. The use for other purposes (in particular own laboratory comparisons) requires the previous, written permission of the DCC GmbH, Herten Germany.
34	The price includes a free participation in the DCC Meeting in Bremen (Germany). The meeting will take place with simultaneous translation German/English. Optionally in Bremen on site or online as HYBRID live webinar.
I	General Trading Conditions: The general trading conditions of the DCC-GmbH are valid. http://www.dcc-germany.org/en/agb-en
II	With the participation the laboratory recognizes expressly the terms of transaction (DCC 03 EN.pdf) on. You can find further information in document DCC 03 EN.pdf: http://www.dcc-germany.org/sites/www.dcc-germany.org/files/DCC 03 EN.pdf
III	Compliance-Guidelines: Our Compliance-Guidelines apply: http://dccnew.dcc-germany.org/sites/dccnew.dcc-germany.org/files/DCC%2003%20Compliance%20EN.pdf
IV	The mandatory personal data required for order processing are recorded electronically and processed only for purposes legitimate under contractual obligations.
V	Place of jurisdiction: Herten, Germany
VI	Project leader: Dr. Georg Szczendzina; Fon: +49 209-1658-9429, Email: support@dcc-germany.org
